JACKSON STREET & ME . . .

by rudi jackson

Only two more months in the year of '82 and things have been really moving in a fast lane towards whatever this world is heading to. Maybe not the end. But a new beginning which will be becoming for the human race to muddle thru since there is the new wines from the vineyard being made ready, for the ones who live, to partake. In this life there is new wine and new songs for the new dancers who be arriving daily in BIRTH!

Cafe Sham/Scam of the week: Is when a soul brother or sister can sit and start to talking to you about any given subject that they really do not know a thang about, laughing and slapping you on the shoulder or back and then start to convince you that they are so much together and that you should be able to understand that they sho'nuf wouldn't mind it one bit if you don't mind it and up and pay for their coffee or soul food meal they be wanting to eat . . .

Why Cum of tha' week: No black people are on the up and coming VOTE FOR ME! WHITE FOLKS T.V. Ads — Who want to grab your vote and put them in a good paying job while you get the HAND-OUT FOOD STAMPS and WELFARE ROLE in tha' citty living. Do the votes of the people really change the way the SYSTEM MOVES and GROOVES? If so, then WHY IN HELL don't we have a real good pretty community in this THE CENTRAL WESTSIDE SECTION. Oh God! This is a time to check out the past/present/and a look at the future and you will see the desire of the power force is to have THE BLACK FOLKS last and least in the boat of progress . . . It looks like a sack of FUNKY POLE-O-TICKING to ME! . . . Like a new song on the charts says: WATCH OUT FOR THE AMERICAN DREAM, IT WILL BEAT YOU DOWN TO A FRAZZLE/my/FRIENDS . . . Ain't it Freaky NOW? . . .

Enjoy-ment Of tha' week: Having shared a lovely breakfast with Rose Burrell and sharing with her thoughts of goodness in wanting to move into new and better ways to teach and train our youths in ways of goodness so as to be able to cope and maintain in this ever moving age of space and electronics . . . And I do not mean the new drug addiction to THE PAC-MAN KILLER OF THE MINDS! . . .

When young people have not learned to become groomed and neat before they step-out into the world, Now/How will they be able to obtain a job if both mind and body are arrayed in the lowest of low conditions of dress . . . So many of our young people have no concept of what hand lotion and soap is for, in aiding of the bodies living . . . What kind of FOOL are you to let this keep on being the mode of life in your life and the life of your fellow persons. THE COMMUNITY NEEDS HELP

AND REAL GUIDANCE TAUGHT IN IT SINCE IT HAS BEEN RAVISHED AND RAPED BY THE SO-CALL LEADERS FOR OHHHH SOOOO LOOOOOOONG! There is great need for change . . .

The Mother of Children Of Tha' Week Is: Genie Tanner who has and is working hard to show love to her family by way of teaching them the arts of care for self and the home in which they live. Love has to be shared with children if they are to learn what and how to apply love in the right way. For love is the balance of many things needed to bring about peace joy and happiness for a family, friends, or foe. Mrs Tanner wants her children to know that they hold a very dear place in her mind and body and she will reach out to help them to grow as fine oak trees in this community . . . That is Some kind of WONDERFUL . . .

It has been good phoning folks I have not spoken to for a number of weeks and Sundays. A be-lated HAPPY-BIRTHDAY TO: Elijah (Baboo) Green and MacArthur of and at The New Town Tavern . . . Understood that the wine of sparkle flowed like the River Niger at the bashing party that Sir Wash (a cuzin of Baboo) up and threw for the two Cool Dudes . . .

Understand some fools are trying to work on a night mood ripping off soul folks hard earned goods in and on the home front . . . I really know how the RIP.OFF CAN BE WHEN YOU WALK IN TO A HOUSE THAT HAS BEEN STRIP OF THE NICE THINGS YOU TRY TO ENJOY AND PAY FOR. SAY SOUL RIPPERS, DO LIKE ROBINHOOD OF OLD: GET FROM THE ONES WHO HAVE IT, OR, AREYOU AFRAID THAT IF YOU GET CAUGHT SO FAR AWAY FROM YOUR TURF YOU MAY GET SHOT ON SIGHT SINCE YOUR SKIN WILL GIVE YOU AWAY . . . LEAVE YOUR BROTHERS' GOODS ALONE AND GET YOU A JOB AND STOP TRIPPING AND DIPPING TO THE DRUG/MAN and BOOZE/FUSE! They are sho'nuf digging up more graves to lay the dead into and it is going to get heavy cause heavy makes so many happy

Saw Mr Edd Waller and he up and said that the musical group SIDE EFFECT is headed for THE CLUB ROUGE COME THE Month of NOVEMBER so check them out. They have a DINEOOOMite SHOW and REVUE!

Hey! Wil Chappron and your group, don't let the sudden, "We can't let you perform here at the Jazz Room" get you down . . . The Lawd sho'do not Luv UGLY or a low blow being sunt in on his musical chilluns. You Will OVERCOME and BE A SHINING STAR IN THE NOW NEAR FUTURE! YOUR GROUP IS and has a good sound for the '80s. Keep on thumping the bass and leave the rest of it To The God of Music/Dance/and SONGS!
