In a few more weeks it may or may not be TURKEY TIME ON THE TABLES for many folks, due to the HARD TIMES UPON SO MANY OF US who have no jobs. But you can bet your bottom Jollars and cents that the Big Boys and Girls Who control the system are going to have plenty to eat and throw away. Think about that!

I was the M.C. for a fine and well attended fashion show this past weekend up at the Zion Methodist Multi-purpose Center and I must say, the RestROOMS in the child care section sho'nuf need to be cleaned and rid of the dastard ODORS which hits you smack dab in the face . . . I know the LAWD SHO'NUF LIKES CLEANNESS and The GOOD BOOK SEZ ONE MUST PRACTICE WHAT THEY PREACH! just Some Food FOR THOUGHT, cause the little ones no-doubt fail to realize just what is going on in their lives. Come ON, LETS GET THAT PLACE CLEAN-REV.??? . . .

There is a mystic illness going around which is causing so many to be ill with strange virus's; watch your food intake and try to get more fruits and vegetables that are raw and with vitamins, or, try eating them steamed . . . Advice from Dr. Feel Good!

While roaming through the Dictionary I found this word and it came to mind as to, if this is where the Now-A-Days K.K.K. got its start and moved on over to The U.S. of America: 'VEHM-GE-RICHT' (check it out and then U be the judge and ask yourself why the LAW has NEVER set OUT TO RUN THE K.K.K. OFF THE face of the earth like they have so many other national groups

. . . The German Strong-men have and en-force so much of the Power that Rules the U.S.A. and they sho'nuf hate BLACK PEOPLE WITH A PASSION!

I just happen to stop by the New Town Tavern last Saturday morning about 5:30 am; among the 20 odd early birders seated on the lunch counter having a

HEARTY PLATE O FOOD was Dan C, Q.B., Butch and Will, J.W., Lonnie S, and a few more who I want name for fear they may get throwed into the dog house. But them plates sho'nuf did be look'tid'ing good to the last bite.

But it was a good rising of the sun that I got to enjoy after making a run to the Store to buy a few thangs . . .

Hi There, Black People In Our Community! Remember a few weeks ago I asked for information regarding Little Jamar Bautiste, who needed an organ transplant. Well, his mother phoned me and spoke of the joy she and her family are having, all due to the many people who came to the needs of her son. Her name is Crystal Bautiste and right away I knew who she was and was happy that she had made the call. She asked if I had put all of the nice things about Jamar in The Vegas Voice Newspaper. I said: "Yes, I am the person." Her next words were so pleasing to hear — that Jamar was doing so well and improving and walking some. She then invited me to come and be a part of a lovely planned Birthday Party for him on December 4th. I told her that I would be delighted. After she hung up the phone I felt good about our warm chatting of life being made well.

I thought of so many wonderful things, turned and hugged my grandmother Julie Mae Troutman. She said, "I am so proud of you and what you are doing in our community." We both smiled and I felt proud and whispered, "The people who share in his needs must also feel proud, and I want them to know that it is good to be making others happy in life."

Last Friday night Western High beat Basic 34 to 24. Big Congratulations to Western, Chapparral, and Gorman for doing a great job and for going on and making it for the State Play-offs.

Happy Birthday, all of you Scorpio's!

I understand it thru the talk vine that The Third World Arcade has closed down due to a shoot-out with guns two days in a row. Why is it that people have no regard
