## Scope and Contents Note

---

The Nevada State Prison, Parole, and Probation Reports (1901-1988) contain reports about the Nevada State Prison system and the Nevada Department of Parole and Probation. The reports created by the Nevada State Prison system were prepared by the acting warden. These reports detail the progress of the Nevada prison system, its facilities, and inmate statistics. The Nevada Department of Parole and Probation reports were prepared by the Nevada Department of Parole and Probation and provides statistics on parole and probation in Nevada. Some files in each box may have alternative names. This is due to the renaming of departments over the course of the time period contained in the collection.
