Biographical Note

Valerie Wiener is a former Democratic Nevada State Senator who represented Clark County District 3 from 1996 to 2012. Wiener was born in Las Vegas, Nevada in 1948 to Louis Wiener, Jr., a prominent local attorney, and Tui Ava Knight. She graduated from Las Vegas High School and earned bachelor's and master's degrees in journalism from the University of Missouri-Columbia and a master's in contemporary literature from the University of Illinois Springfield. Wiener also attended the McGeorge School of Law at the University of the Pacific for three years and earned certificates in grant writing and nonprofit management from the University of Nevada, Las Vegas. Wiener first started working in politics as a press secretary for Harry Reid's congressional and senatorial offices from 1984 to 1988. She worked on Reid's first senate campaign and created and managed a "spouse campaign" for Landra Reid which included campaign strategy plans, stump speeches, and talking points for Landra to campaign on behalf of her husband around Nevada. From 1988 to 2015, Wiener owned and operated Valerie Wiener Enterprises and Wiener Communications Group which specialized in media training, consulting, and positioning strategies. Of note, Wiener created and facilitated a media training program for the UNLV Runnin' Rebels from 1988 to 1990, the first media training program for a university athletics team. She also owned and operated PowerMark Publishing from 1998 to 2015 and authored books on topics such as youth issues and power positioning.

In 1996, Wiener was elected to the Nevada Legislature as a State Senator. During her time in the Nevada State Senate, Wiener sponsored 90 bills of which 75 became law. She focused on issues dealing with health and wellness, prescription drugs, juvenile justice, and technological crimes throughout her tenure. Wiener was involved with the National Conference of State Legislatures (NCSL) "Legislators Back to School" program where she visited more than 40,000 students enrolled in the Clark County School District. Other highlights of Wiener's legislative tenure include authoring legislation to create Nevada's Statewide Program on Fitness and Wellness and serving as the first chair of its advisory council.

Wiener also authored legislation to create Nevada Youth Legislature, the first youth leadership program in the U.S. which gives high school students an opportunity to learn about representative government and take an active role in the legislative process through presenting one bill per term to the Nevada Legislature on an issue related to Nevada youths. She also served as the Nevada Senate's first female Assistant Majority Leader.

Wiener retired from the Nevada Senate in 2012 and was inducted into the Nevada Senate Hall of Fame in 2019. As of 2025, Wiener continues her work in public service through the Public Service Institute of Nevada, a nonprofit organization she established in 2014 that provides student directed civic engagement opportunities.
