## Summary Information

---

<b>Repository:</b>	University of Nevada, Las Vegas. University Libraries. Special Collections and Archives.
<b>Creator:</b>	Tate, George G. (George Gerald), 1931-
<b>Contributor:</b>	UNLV University Libraries Oral History Collection
<b>Title:</b>	George Tate oral history interview
<b>ID:</b>	OH-01803
<b>Date:</b>	2002 September 24
<b>Physical Description:</b>	4 Digital Files (0.182 GB) MP3
<b>Language of the Material:</b>	English
<b>Abstract:</b>	Oral history interview with George Tate conducted by Randi Levine and June Brown on September 24, 2002 as part of the UNLV University Libraries Oral History Collection. In this interview, Tate discusses his personal history, his occupation as an architect, and his experience in the United States Army Corps of Engineers. He explains why ground water was an issue for building infrastructure in Las Vegas, Nevada. Lastly, Tate discusses the changes in the professional architectural community, the increase of women in the architectural field, and the competitive aspect of being an architect.

### Preferred Citation

George Tate oral history interview, 2002 September 24. OH-01803. [Cite format consulted: Audio recording or Transcript.] Oral History Research Center, Special Collections and Archives, University Libraries, University of Nevada, Las Vegas. Las Vegas, Nevada.

### Access Note

No release form is on file for this interview. The interview is accessible onsite only, and researchers must seek permission from the interviewee or heirs for quotation, reproduction, or publication. Please contact [special.collections@unlv.edu](mailto:special.collections@unlv.edu) for further information.

### Publication Rights

Materials in this collection may be protected by copyrights and other rights. See [Reproductions and Use](#) on the UNLV Special Collections and Archives website for more information about reproductions and permissions to publish. Some transcripts do not exist in final form, therefore any editing marks in a transcript (deletions, additions, corrections) are to be quoted as marked.

### Processing Note

Interview materials were processed by UNLV Libraries Special Collections and Archives in 2018 and 2019. Miguel Dominguez wrote the collection description. The audio cassette(s) for this interview have been reformatted by an external vendor into a digital format. MP3 files of the audio are available for research use. The audio has been minimally reviewed and all readily available information has been included in the description.
