Access Note

The materials described in this guide have not been fully processed. Requests for access must be made in advance to allow time for the materials to be reviewed. Please contact Special Collections and Archives to request access. Some titles are embargoed and restricted for seven years or indefinitely per agreement with creators.

Additionally, some titles are cataloged in the UNLV Libraries general stacks and may be available through Digital.Scholarship@UNLV.

Restricted

The following title is indefinitely embargoed and may not be accessed by anyone except the author: Motschenbacher, Kristopher Jay, "History of Islam: Is it compatible with

democracy?" (2005). When the title can be physically located in LASR, it should be physically marked as embargoed so it is not served to any patron.

Additional English/Creative Writing titles are embargoed for 7 years and during that time are accessible to the author only. Specific restrictions are listed at the item-level of the inventory.

Publication Rights

This material is made available to facilitate private study, scholarship, or research. Material in this collection may be protected by copyright, trademark, privacy, publicity rights, or other interests not owned by UNLV. Users are responsible for determining whether permissions are necessary from rights owners for any intended use and for obtaining all required permissions. Please contact UNLV Special Collections and Archives (special.collections@unlv.edu) for additional information.

Acquisition Note

Materials were periodically deposited to the University Libraries Special Collections and Archives; accession numbers 2020-089, 2021-116, 2021-138, and 2022-099, 2024-106, 2024-113, 2025-028, 2025-085, and 2026-029. Electronic theses and dissertation preservation files were transferred to the University Libraries Special Collections and Archives in 2019 and 2020; accession numbers 2019-049 and 2020-001.

Processing Note

These records are unprocessed. Tammi Kim accessioned the 2021-2022 additions and updated the finding aid in ArchivesSpace. In 2022, Sarah Jones, Celene Chavez, and Lauren Tench reboxed bound volumes and added to the existing inventory that was available. No other work has been done on the collection or the description. All titles were taken directly from the inventory or physical items. In 2024, Sarah Jones added the 2024 addition of English/Creative Writing embargoed titles to the finding aid. In 2025, Sarah Jones added the 2025 addition of English/Creative Writing embargoed titles to the finding aid. In 2025, Landon Paljusaj added the 2025-085 addition of English/Creative Writing embargoed titles to the finding aid. In 2026, Landon Paljusaj added the 2026-029 addition of English/Creative Writing embargoed titles to the finding aid.
